

## West Yorkshire's Hamish the Snow Man Challenge

### Leader Briefing

Throughout the month of December, we are running our Hamish The Snowman challenge. The challenge .....

- Is aimed at all sections
- Encourages our young people to be imaginative
- Is designed to be fun for all

**To take part in the challenge, each person will need a snowman.** This could be made in a meeting during November or bought from an online provider. The snowman can be small or large and made of anything you have to hand. An inflatable snowman is fine as is a person dressed in a snowman costume. Ideas for how to make a snowman are available on the website.

*The challenge will ask people to take selfie style images of their snowman in 10 different places – these places will be flexible in their interpretation to allow lots of possibilities. An example is*

### ***Take a photo of your snowman in a cold place.***

*This could be interpreted as in a fridge, outside in the garden .....etc. The more imaginative the better.*

Also, from December 1<sup>st</sup> to 20<sup>th</sup>, Hamish will issue a new photo challenge each day on the county Facebook site.

Once all images have been taken, the pictures can be uploaded to an online photoalbum using [www.myalbum.com](http://www.myalbum.com) and then submitted to us in January using [snowman@wyscouts.org.uk](mailto:snowman@wyscouts.org.uk). All submitted albums will win a prize.

### The Hamish The Snow Man Treasure Hunt

Hamish the snowman posters will be appearing in your area throughout December and we are also challenging individuals to spot as many of these posters as they can. Each poster will have a unique name and identification number on it - so to take part, participants need to make a note of the name and number of any that they see. In January participants will be able to send in their list of the posters that they have seen. Posters are worth different amounts so if you're lucky to spot a high value one you will get more points. The people with the most points will win the treasure.

If you are able to display a poster for us – you can register on the following google form
